## A NEW ONLINE Staff Training Series presented by the Institute for Applied Behavior Analysis®

This series is divided into 4 Modules with a Roundtable Discussion at the end of each Module. The Roundtable Discussions are designed to give the viewer additional insight into the topics discussed in each Module. Each Module includes Lecture Notes, additional related reading material, tests and answers. Listed below is a brief description of each Module and the time required to watch each Module. Type II CE is available to BCBA's and BCaBA's for watching and passing the associated tests.
